

# CITY OF LODI

## COUNCIL COMMUNICATION

**AGENDA TITLE:** Request to transfer \$12,000 from the Lodi Lake Park Special Revenue Account (122) to the Capital Improvement Fund (121); to address the re-contouring of Lodi Lake and to locate an access point to the west 13 acres of Lodi Lake Park.

**MEETING DATE:** November 18, 1992

**PREPARED BY:** Park8 and Recreation Director  
.....

**RECOMMENDED ACTION:** City Council approve transfer of funds.

**BACKGROUND INFORMATION:** For the past ten years, we have experienced a gradual and steady silting buildup of our lake bottom at Lodi Lake Park resulting in the following conditions:

- (1) Lake has become extremely shallow;
- (2) Due to shallow water, we have seen an increase in the growth of noxious aquatic grasses and weeds;
- (3) Because of the shallow and warm water, the water quality has diminished.

To address the situation, it is my opinion that we must re-contour and deepen Lodi Lake if we are to maintain this body of water as a recreation facility. As such I have met with the City Manager, Public Works Director, Community Development Director and our Parks superintendent. All of us agree that something must be done and it is imperative that we move as quickly as possible. Therefore, the transfer of the \$12,000 would allow us to expend \$10,000 for an engineering study to address the deepening and re-contouring of Lodi Lake and \$2,000 would begin to address the access to our undeveloped 13-acre parcel on the west side of Lodi Lake. The consensus of City staff was the \$2,000 would be enough to acquire the land needed to provide access to this area.

**FUNDING:** \$12,000 transfer of funds from the Lodi Lake Park Special Revenue Account (122).

  
Marilyn E. Field  
Acting Director  
Parks and Recreation Department
